

**USA Dance 2012 National
DanceSport Championships
Scholarships
March 30th through April 1st – Baltimore, MD**

About USA Dance

Our mission is to improve the quantity and quality of ballroom dance. We promote the excitement and energy of all styles of ballroom dancing – both competitive and recreational – through our chapters in each state. USA Dance's goal is for everyone to ballroom dance. Each year, we've grown in:

- number of dancers we train
- competitions, workshops, and social dances nationwide
- social and competitive ballroom dancing for colleges and secondary schools

We focus on educational programs for the public about the healthful aspects of recreational ballroom dancing and competitive ballroom dancing.

These programs emphasize the physical, mental, and social benefits of dancing, and include the expansion of dancing skills among those of all ages and capabilities.

USA Dance is a nationwide nonprofit corporation of thousands of volunteers who love ballroom dancing and appreciate the excitement and romance – as well as the social and health benefits – that ballroom dancing brings into their lives.

Competitions

Each year, USA Dance conducts national, regional, and local dance competitions through USA Dance Championships programs.

National champions are selected and USA Dance then helps to finance their participation in the WDSF World DanceSport Championships and World Games – which are held for Olympic-recognized sports that are not yet in the Olympic Program.

At the grass roots level in communities, colleges, and secondary schools all over the country USA Dance provides opportunities for the public to engage in affordable social ballroom dancing and competitive dancing. Beginners are welcomed, our

thousand some volunteers will help get them started and then assist them in achieving their goals.

Scholarships:

In keeping with our mission to serve and improve our dance community, USA Dance, in collaboration with sponsors and donors, developed a dance scholarship program. We reward the dedication and commitment of our top athletes and all scholarship donations go straight back to the athletes in the form of scholarships.
