**Announcement: USA Dance 2021 National DanceSport Championships**

USA Dance announces that the 2021 National DanceSport Championships will be held in Atlanta Georgia next April.

After speaking with several organizers and venues, USA Dance has chosen to work with Crowder DanceSport to assist in the hosting of the 2021 Nationals. Crowder DanceSport will join the USA Dance Nationals DanceSport committee to work on creating an exceptional National Championships for our athletes next spring.

The National Championships will be held at the Crowne Plaza Atlanta Perimeter at Ravinia which is the same venue where the Southeastern DanceSport Championships were held in 2020. The venue received very positive reviews from the athletes in attendance. Please send any questions to [nationals-organizer@usadance.org](mailto:nationals-organizer@usadance.org).
